"Tuxedo gels lo me in a natural pleasant way. It's what I call good, honest, companionable tobacco-the kind to stick to."

JOHN J. McGRAW "Tuxedo gives to my pipe smoking a keen enjoyment that I have experienced with no other tobacco. Supreme in mildness and fragrance is Tuxedo.

LARRY LAJOIE "Tuxedo and I have been friends for years, and the longer I use it the better I like its mild, soothing effects.

The Favorite of Your **Favorite**

EN chances to one, your favorite ballplayer smokes Tuxedo. We have scores of testimonials from the crack men of the crack nines all over the country, saying that they enjoy Tuxedo and recommending it

Also-look around you the next time you pick out that soft seat in the bleachers or grandstand and see how many of your neighbors are packing their pipes with Tuxedo or rolling it into cigarettes.

Size up the men who are smoking and endorsing Tuxedo. They're real men, full of life and the joy of life.

Tuxedo is in a class by itself. It has many imitators—but in the pipe it has no equal. It is made of the best selected Burley Tobacco, the finest that Kentucky grows, ripened, cured and aged until it has reached the tip-top of mildness, mellowness and sweetness. Then it is treated by the original "Tuxedo Process" which takes out all the sting so it cannot possibly bite-even if you should smoke it all

day long. You simply cannot buy better tobacco at any price. Try Tuxedo today. You will see why these men are so fond of it.
